Anti Social Behaviour - Fight back with the Mosquito

Loitering, vandalism,
vagrancy and drug use.

Understanding the Problem

Problems with loitering, prevention of free passage, abuse verbal and physical, criminal damage ?

Time to use the Mosquito.

Used extensively by police forces, local authorities, chain stores, property managers, schools and private individuals the Mosquito delivers results.

Welcome to the Solution

The Mosquito emits a pulsed high frequency tone which disperses groups/individuals on the basis of annoyance/irritation.

The Mosquito usually takes between 5 and 15 minutes to take effect. Groups / individuals exposed to The Mosquito's persistent high frequency noise will only endure it for a short period of time before leaving the area.
